ADDITIONAL CONSIDERATIONS:

To make restroom visits as easy as possible, students in pre-kindergarten through 1st grade do not need to wear belts. For students in those grades, please make sure pants and shorts fit properly so they don't sag and no belt is needed.

JEANS or UNIFORM PANTS?

Jeans are pants or shorts with **exterior** back pockets, also known as **patch** pockets because the entire pocket is sewn on outside of the pant. Jeans are not part of uniform dress but are allowed on Fridays or special announced days.

Uniform pants have **interior** back pockets, with a slit at the top to allow access to the pocket, but with pocket itself covered by the outside of the pants.
